

CENTERS FOR OPPORTUNITY'S FIVE PILLARS OF SUCCESS

Success Waits Behind Every Door

Centers For Opportunity (CFO) offers five levels of support to help you achieve your personal and professional dreams. No matter where you are in life or what you have gone through, you can live the life you have always dreamed of!

CFO is here to assist you in making it happen! Our services are free.

1

Addressing immediate critical Basic Needs

Since 2011, CFO has been focused on meeting the basic needs of those we serve. We connect individuals to safety net services such as food, medical care, and housing to help stabilize their lives.

2

Peer Support

Recovery is possible at CFO. Our staff, who are also in recovery, provide essential support to those navigating mental health and substance use issues. Peer support fosters lasting change.

3

Wellness and Recovery

At CFO, we encourage creativity to help individuals navigate what they are facing. We focus on programs such as art-for-wellness, daily journaling, and the importance of self-love.

4

Employment Services

CFO's employment program connects individuals with jobs, promoting financial stability, and personal development in a supportive setting. The program is open to anyone who is unemployed or those seeking new opportunities.

5

Virtual Support

CFO offers weekly virtual support groups at various times throughout the day for those who are home-bound or who prefer online services. Individuals connect, share experiences, and make new friends.
